NaturZone Pest Control Enters Business Hall of Fame for Receiving 2015 Best of Tampa Bay Award for 6th Consecutive Year!

Tampa Bay- June 29, 2015 -- For the sixth consecutive year, NaturZone Pest Control has been selected for the 2015 Best of Tampa Bay Award in the Pest Control Services category by the Tampa Bay Award Program.

Each year, the Tampa Bay Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Tampa Bay area a great place to live, work and play.

Nationwide, only 1 in 250 (less than half of 1%) 2015 Award recipients qualified as Five-Time Award Winners. The 2015 Best of Tampa Bay Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the committee and data provided by third parties.

About Tampa Bay Award Program

The Tampa Bay Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Tampa Bay area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Tampa Bay Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.
